Hon. John Stahl, Chairman
House Committee on Family & Children Services
State Capitol
Lansing, MI 48909

Dear Rep. Stahl:

On behalf of the Michigan Federation for Children and Families, I wish to
lend my support for HB 5110.

The Michigan Federation is a statewide association of private, nonprofit
child and family serving agencies, advocacy organizations and
individuals interested in protecting children, building families and
strengthening communities.

We believe that HB 5110 will improve the accountability of after-school
programs while enhancing opportunities for program accessibility and
delivery in Michigan. We know that you and your committee members
will give every due consideration to this measure and urge your support
for passage.

Sincerely,

A handwritten signature in cursive script that reads "Elizabeth Carey".
